Report Card Day– March 23, 2010

FCAT Testing Begins March 9th.

The annual FCAT assessment begins on Tuesday March 9th with all BMS students taking the Reading assessment. On Wednesday the 10th the emphasis switches to Math for all students and will conclude with the eighth grade taking the Science portion on Thursday March 11th. Makeup testing for those students who are absent will run through March 19th. These tests are important since they will determine in which class a student will be placed for the 2010-2011 school year. FCAT will also determine the school grade for the 2010 school year. Parents are encouraged to see that their students get enough rest and arrive to school on time as testing begins promptly when school begins at 7:48. If they are sick and unable to attend please contact Mrs. Purvis in Guidance.

Daylight Savings Time begins on March 14th.
